

O Sing, O Sing from the CD *Let It Flow Like A River*

Chorus

O sing, O sing
And worship the Lord
All ye nations
Lift up your voice and tell
Of His wonderful works

For He alone is God
And the King of the Ages
O sing and lift
Your praises unto God
All the earth

Verse

For the Lord, He is awesome
And righteous in His ways
I will ever live to give Him praise

Make known among the nations
All that He has done
Let's honor and bless Him
For He's the Living One
