

**One With The Lord** from the CD *Let It Flow Like A River*

*Chorus:*

O what a joy it is to be one with the Lord  
(repeat)

*Verse 1*

Talking to my Father, praying in the Spirit,  
Listening to Him, hearing His words  
Filled with His presence, calming my soul  
Giving me purpose, making me whole

*Chorus*

*Verse 2*

Bone of His bone, flesh of His flesh  
Part of His body, all is at rest  
Abiding in Him, and His words abide in me  
Gives me direction, sets my heart free

*Chorus*

Singing Hal - le - lu - u - jah  
(repeat)

*Verse 3*

Caught in His love, so tender and full  
Tears in our eyes from feelings inside  
Beholding His mercy as He hung on that tree
