

***Merciful Day*** from the CD *Live In Nashville*

*Verse*

Your mercy is new everyday  
and I'm so glad, I'm so glad  
Your favor surrounds me today  
and I'm so glad, I'm so glad  
I was bound by sin and shame  
But then Your endless mercy came

*Chorus*

It's a merciful day  
And all my sins are washed away  
It's a merciful day  
And I'm not bound by yesterday  
Your grace and mercy rescued me  
Your love has saved my life  
So I thank You for this merciful day

*Bridge*

Your mercies are new everyday  
It's a merciful day  
Your favor surrounds me today
